[Bertinga](#) is a new reality in [Gaiole in Chianti](#). And not just that ... the guys are real shooting stars! 90 to 93+ points from [Monica Larner](#) from [Robert Parker Wine Advocate](#) for the maiden vintage 2016. Four wines, two varieties: [#Sangiovese](#) and [#Merlot](#). Basta. The project of two Russian wine importers started 2015. Director Luca Vitiello presented the wines at the [Baur's](#) Brasserie in Zurich ahead of the presentation of the new [DoctorWine](#) guide 2021.

Outstanding: Bertinga and Adine. Score: 17,75/20. And they will improve, that's for sure. I am flashed! [#chianti](#) [Chianti Classico TERRAVIGNA](#) [Blick](#) [#FürSiedegustiert](#) [Анатолий Корнеев](#)
