alain_zg @bertingawinery is a new reality in @gaiole_in_chianti. And not just that ... the guys are real shooting stars! 80 to 95+ points from Parker taster @monicalamer from @wine_advocate for the maiden vintage 2016. Four wines, two varietals: #Sangiovese and #Merlot. Basta. The project of two Russian wine importers started 2015. Director @luca_vilello_ presented the wines at the @baurschuch Brasserie ahead of the presentation of the new @doctorwines guide 2021. Outstanding: Bertinga and Adine. Score: 17,75/20. And they will improve, that's for sure. I am flashed! #chianticlassico @simplewine @terravigna @boick #FürBedeegustiert @maximkashrin @simplekornaev
